You are invited to participate in a unique event taking place this coming July on the campus of Texas Christian University (TCU). The 2020 Experience, is a one time, historical gathering where the National Convocation, the Central Pastoral Office for Hispanic Ministries (Obra Hispana) and North American Pacific Asian Disciples (NAPAD) of the Christian Church (Disciples of Christ) will come together to listen, learn and worship, as they celebrate their biennial sessions together in a joint 2020 Experience under the theme “It’s Real” and the scripture of Revelation 7:9-17.
We expect over a thousand people to be in attendance, half laity, and half clergy, with both groups being decision-makers or influencers in their local faith communities and of a diverse range of ages. The program will consist of worship, business sessions, educational workshops, and learning tracks, with invited speakers and presentations focusing on our theme, “It’s Real.”

You don't want to miss this opportunity!

Please, plan now to be with us this one-time experience in a combined national gathering.

See you in Fort Worth, Texas!
